MEMORANDUM FOR: Director of Security

FROM:

Director of Training and Education

SUBJECT: Executive Seminar Support

1. I want to thank you and [] for your continued support in the Executive Seminar. The success of the self managing work team exercise depended immeasurably on the information and focus you brought to the security problem. The students felt they were involved in a valuable effort and a concern they all shared.

2. For the next couple of runnings, we expect to use a current personnel problem. I hope we can count on you in the future to again assist us in making the program relevant, current, and responsive to the needs of the participants.

3. My sincere appreciation to you both for the time and effort you devoted to this program.
